Thomas (12W) and Tanner (12J) visiting the Dandenong Ranges Child Care Centre, as part of the “Principal for a Day Program”.

A Message from the Principal

The last fortnight in our school has been an extremely exciting time for our school community.

We open with the above, as there are many wonderful achievements to celebrate across our school community. Some of these to note are:

Victorian State Volleyball Championships: Last Friday 24th November, a number of our Year Three-Four students represented USPS at the Victorian State Volleyball Cup. We received a number of very encouraging comments regarding the composure, positivity and sportsmanship of our students. Congratulations to everyone involved. Please refer to Mr Hall’s article in the newsletter.

State Schools Spectacular 2018: Mrs Lang was recently jumping for joy and dancing with a spring in her step, *because...* Upwey South Primary School has been awarded with two very important roles in the 2018 State Schools Spectacular! For the first time ever, we will have students participating in the Mass Dance (12 students) and Mass Choir (18 students). This presents a great opportunity for our students and is a reflection of the quality and pride with which our students represent USPS when out and about in the community. More details will be provided to families in early 2018 regarding this opportunity.

USPS/ Groove Foundations Music Concert: On the upcoming evening of Monday 4th November, students who are engaging in instrumental lessons with Groove Foundations, will have the opportunity to celebrate their achievements with a live performance. This is certainly something we are very excited about and can’t wait to share photos with you in our next newsletter.

2018 School Structure and Staffing: Last week two very important open letters were sent out to the community, in hard copy and via Flexibuzz. These documents titled “2018 Class Information for Families” and “SWPBL Open Letter to the Community” and outlined in detail the direction of our school for 2018. However, there is one final important component of our 2018 school structure, which is the staffing allocations of teachers. As a school, we are currently undertaking the process of shortlisting potential applicants for our advertised vacancies. Once this process is completed and staffing for 2018 confirmed, the community will be notified of teaching roles for 2018. We aim to have this process completed by Friday 8th December, in order to notify students and their families of their 2018 classroom teacher on Monday 11th December.

Semester Two Student Reports and Learning Portfolio

As a school we are looking forward to celebrating student achievements with our community. Semester Two Reports and Learning Portfolios will be sent home with students on Tuesday 19th December.

2018 Starting Times and Days

As a school we are looking forward to a great 2018 for our learning community. To assist with your planning for the beginning of the 2018 school year, please refer to the below:

Monday 8th January: Out of School Hours Vacation Care Program begins (register via Extend website)

Monday 8th January – Thursday 25th January: Out of School Hours Vacation Care Program available for parents

Friday 26th January: Australia Day Public Holiday

Monday 29th January: State-wide return of teachers for 2018 academic year (Out of School Hours Care available if sufficient bookings)

Tuesday 30th January: Day One of 2018 academic year for all **Year One– Year Six students**, commencing at 9:00am

Thursday 1st February: Day One of 2018 academic year for all **Foundation students**, starting at 9:30am

*further details regarding Foundation 2018 interviews and Wednesday schedules for the first month have been provided to 2018 Foundation families at the Transition evening.

Damien Kitch

Principal

kitch.damien.p@edumail.vic.gov.au

School Council President's Report– November Meeting

School Council held its second last meeting for the year on the 13th of November, and it was a long meeting with a lot of detail to get through.

There was a lot of discussion around changes to the structures in the school for 2018 to improve the learning environment. Damien talked about the enrolment numbers for next year which are looking positive with definite growth over the current year numbers. He also introduced the new classroom staffing plan for next year, which you've since been sent. As well we discussed the changes to recess breaks, and it was mentioned that councillors had seen some great successes with similar changes at other schools.

Damien also talked about the areas in which the school introduces partnerships with other community organisations, and in particular the Gifted Insights program, and the collaboration with 3MDR in the Forest Park building. The Gifted Insights program has garnered a lot of positive feedback and we discussed how we can bring more of the opportunities that this brings into the education program in the school in the future. I also talked about the fantastic opportunities that the 3MDR agreement will bring, with students from schools all over our region able to participate in radio and digital audio learning through the community radio station. There's interest from Principals at other schools to be involved already.

Also discussed was a large number of school policies that Damien and the other teaching staff had been working on. Although developing school policy seems like it's not that exciting, having clear directions and processes in place for behaviour and wellbeing in the school means both Teachers and Parents know what's expected of them, and have clear guidelines for actions to take. I really think that the processes we've started with the School Wide Positive Behaviours policy are massively valuable to everyone in the school, and will be more so over the years to come.

We've also formed a new Community Relations Subcommittee to better work with the PTA with fund raising, and improve coordination and communication.

If you're interested in being involved and helping act as a parent voice at the school, please keep an eye out in early 2018 as positions on School Council are communicated to the community.

And thanks to Rowan Millar for filling in as Treasurer for the rest of the year.

Nick Orr - Upwey South PS School Council President

Student of the Week

Acknowledging positive learning behaviours

Student	Class	Positive Learning Behaviour
Owen P	FP	His increased effort and enthusiasm during writing sessions
Rocky T	FP	Always being helpful to others and offering his assistance whenever he can
Charlotte C	FR	Working hard to improve her handwriting and formation of letters
Nate C	FR	Working hard to write detailed pieces of work and making excellent attempts at spelling new words
Sienna C	1/2J	Always showing persistence when tasks are challenging
Frankie A	3/4D	His enthusiastic and descriptive narrative writing
Caleb U	3/4D	Consistently setting a good example with his focused learning in the classroom
Thomas D	3/4E	Adding more detail in his recount about Shindig
James B	3/4H	Always giving 100% in all class tasks
Lily L	3/4H	Continually assessing her work and making improvements
Will B	5/6H	Demonstrating enthusiasm, optimism and effort on our camp at Sovereign Hill— EUREKA!
Mirra P	5/6H	Demonstrating the ability to set the example for her peers, completing set task and modelling the skills of an Independent learner
Caleb D	5/6M	His willingness to actively participate in 'Reflections'
Scarlett B	5/6O	Showing compassion and kindness to class mates
Zahlie B	5/6O	Showing courage and maturity when facing problems
Hollie L	5/6O	Her persistence and good humour in playing a role as an 1850's school girl on camp
Melina M	5/6O	Showing compassion and kindness to class mates
Jacinda J	Art Award	Having a positive attitude toward learning new skills
Chloe S	Art Award	Having a high level of skill in all areas of Art

Principal Learning Awards

Embedding school pride, through living our school values.

Congratulations to Thomas, Zac, Tanner and Ethan for joining the Principal for a Day Program, and for improving our play areas.

As a school we are very proud of the confidence demonstrated by Charlotte and Leigh.

Well done to Ruby, Evie and Charlee-Belle for constructing the most amazingly complex "Crimping machines" as part of our Marvellous Movers Program.

Congratulations Sienna for earning a medal at gymnastics. Your moves are amazing!

Learning Snapshot 5/6

Our learning has focused on Money & Business Management in Maths. Students have learned about international currencies, exchange rates budgeting and used this knowledge and understanding to run a successful stall at Shindig. Nearly all stalls made a profit!!!! We have learned about Australian notes, their security features and even made a \$million note.

In Inquiry our learning has been focused on the various organs and systems of the human body

In English we have learnt different genres of writing. The grade 5 Gift Books included writing a newspaper report about their favourite place, a letter about their buddy, an interview with an idol, several different types of poems and a recount about the best day ever. The process involved planning, drafting, writing, proof-reading, editing and publishing. The grade 6's writing focused on recounts about each year at school, combined with scrapbooking to create some amazing Reflection Books.

Our Camp experience was based on our studies of Australian History from settlement to gold. We visited the site of Eureka where the children demonstrated their understanding of this important event in Australian history. We visited Sovereign Hill where we all became part of the living museum that Sovereign Hill is, by dressing up and playing the roles of children of the 1850's

Student Comments

SHINDIG

We made \$120 profit on our "Waffles and Toppings" stall and had fun working together – Harper Horkings

Our stall "Spidershakes" was very successful, making a profit of \$205 – Jacob Orr

I really liked Shindig because I ran a stall. We were near the gym selling lollies and soft drinks. It took \$26 to set up our stall and we made a profit of \$30 – Jake

MATHS

I made a \$1,000,000 note and learnt that there are a number of security features such as the watermark, serial number, microprinting, shadow image etc – Harrison

I learnt that it cost \$2 to buy a Big Mac in India – Shae Sarris

I learnt that I could shop online using a website called Aliexpress. I asked mum if I could buy things on Aliexpress and she said YES – Kye

INQUIRY

I've learned there are many different systems in the human body and I liked learning about the parts of the brain like the brain stem, cerebellum and the cerebrum and what each part does – Sola

I didn't realise that it took seven hours to digest a hamburger through our body – Ashlea

I learnt that fashions on the field are different to wearing casual clothes – Charlie

CAMP

I really enjoyed camp and how we dressed up in olden day clothes and how teachers were more strict in the olden days.

The presentation of Blood on the Southern Cross taught me about the Eureka Stockade - Ruby

I liked camp because it taught me about life in the 1850s. The thing I liked most was Blood on the Southern Cross – Britney

My favourite thing about camp was learning about how they smelt gold and how hard it would have been to live in the 1850's – Amelia

We learned about the 1850's and how children were treated. "Children should be seen and not heard"

I learned how to write in old fashioned copperplate writing with lots of fancy loops – Alexander

***Most of my learning has been engaging and fun. I am now ready for High School – Ashley ***

Upwey South PS Volleyball Program

Congratulations to our Upwey South volleyball teams!! All of the practise and hard work over the past year has culminated in an outstanding result at the Volleyball Victoria Cup 2017. Each team played and won challenging round robin matches against top quality teams from around Victoria, including Billanook who take their volleyball very seriously. They then had to dig deep to get through some 'heart stopping' semi-finals and then handle, with great composure, the extreme pressures of a Grand Final!! In the end it was gold for our grade 5/6 boys, silver for our grade 5/6 girls, gold for our grade 3/4 girls and gold for our grade 3/4 boys. What an amazing effort by everyone!!

We should all be very proud of our volleyballers. Not only did they present a shining example of what can be achieved when everyone works as a team, supports each other and tries their best but their behaviour supporting their team mates off the court and their general sportsmanship were equally impressive.

No team can be successful without a great deal of support so a big thank you to the families and friends who came along to cheer - you made a big difference on the day. Thank you to the parents who have supplied photos and thank you to Gary Monopoly, Georgia Moore and Diana Sutterby for all of their help with the teams while I raced from court to court. A special thank you to all of the students participating in the volleyball program throughout the year. Last but not least thank you to Bendigo Bank Upwey for sponsoring our program. After this result we might even get sponsorship for a new set of volleyball tops for our 3/4 teams for next year?

Dear Friends,

Christmas is around the corner. Laughter, happiness, presents and yummy food, friends, family and comfy bed to sleep in, while we wait for the morning of 25th December.

Unfortunately, there are many homeless children in Australia and around the world, that once more, this year, won't have this for Christmas and in many cases, they have never experienced it.

I want to make a difference and help other children. Everyone deserves to be happy and safe, and not just for Christmas. I'm inspired by the work of Lighthouse Foundation (www.lighthousefoundation.org.au), the charity that helps homeless children and young people and would like to support them by raising money. Lighthouse Foundation volunteers make sure that everyone who comes through their door have somewhere to sleep and have access to medical care, food and education.

Currently there are 17 845 children that are homeless in Australia.

I would like to raise awareness by organising a
'Sleeping Rough' Event.

This can be as simple as camping in your lounge room with your family, sleepover with friends or a tent in your backyard. I will be sleeping rough with my mum and dad this weekend and we will donate some money to my fundraising page to support children in Australia that don't have food, family or home.

The more people that know about Lighthouse Foundation, the greater their impact, so please spread the word by sharing my flyer and my fundraising page with your friends and family.

When we all work as individuals and as a team, we have the power to have a big impact on matters of social justice. When you/your family/friends participate in the 'Sleeping Rough' experience, you are not only helping others in need...you are also developing the sense of empathy, compassion and becoming responsible for taking action.

The 'Sleeping Rough' starts this weekend coming – let's see how much we can raise by Christmas ☐ Let's sacrifice one night of discomfort to raise money for the homeless youth of Australia. Thank you for supporting this worthy cause! **To make a donation – please visit my page – the link is below. Please leave a little note if you can and thank you!**

<https://give.everydayhero.com/au/sleeping-rough-to-raise-awareness-children-making-a-differen>

Alternatively, you can type in my name into www.everydayhero.com.au and click on the 'supporter' link.

Together we can make a difference. Angelica R 3/4D

Improved Line Marking and Disabled Access Parking

You may remember that earlier in the year the Junior School Council had discussed how visitors enter the school and how they can get to the office.

The action which came from these discussions was to improve line markings at the front of the school.

We are happy to say, that due to the recent sunny weather these line markings have now been completed.

JAPANESE DAY

Dear members of the Upwey South Learning Community,

Due to unforeseen circumstances regarding the staffing of our proposed Japanese Day, the original date which was advertised in the newsletter and scheduled for Thursday 30th November 2017 will not be going ahead.

As a small-sized primary school, we share the teaching allocation of our Japanese teacher with two local primary schools. We are currently in the process of negotiating a future date and a modified program for Japanese Day. If suitable arrangements are reached, this will be negotiated to families.

Extend at Upwey South Primary

PARENT PORTAL: extend.com.au

EXTEND HEAD OFFICE: 1300366437

MOLLIE OSHC: 0487700024

ANNOUNCEMENT

We are delighted to announce the launch of a brand new and exciting platform for families.

The Parent Portal will cease to operate at the conclusion of Term 4 Before and After School Care and will be replaced with a reliable, flexible, and user-friendly platform named Looked After.

All families requiring bookings for the Summer Holiday Program and/or 2018 Before School Care and After School Care (existing and new families) must create a new account with Looked After.

<https://www.lookedafter.com/>

SUMMER HOLIDAY PROGRAM BOOKINGS ARE OPEN!

Book 14 days in advance to receive early bird rates.

Get creative with a variety of art and craft projects, participate in delicious cooking activities, carry out a bunch of fun science experiments, and loads more!

Check out the daily schedule at extend.com.au and enrol and book with our brand new platform, *Looked After*.

EXTEND FOOD BANK DRIVE

To finish off our share kindness project for this week we will be collecting food for 'Foodbank Victoria'. "Foodbank Victoria is the state's leading food relief organisation with over 80 years of experience providing relief to struggling Victorians. Each month, Foodbank assists over 134,000 Victorians; 30% of these being children. In the last year, Foodbank distributed over 9 million kilograms of food, the equivalent of 17 million meals, to our network of 451 frontline welfare agencies and charities around the state. With so many Victorians experiencing food insecurity, we are here to provide food assistance to those who need it most. The most needed items are canned food, dried fruit, long life milk and juice, rice, pasta, noodles, cereal, shampoo and conditioner, soap and deodorant and more. Please see EXTEND staff for the full list. We are aiming to fill one box but the more boxes filled the better.

Program Planner

At the end of last term the Extend OSHC children voted on our theme for term 4. The theme by popular demand was "**Wild about books**". The majority of our activities will be themed around this topic.

TERM 3 THEME: WILD ABOUT BOOKS	
04/12/17	BSC: Fun Day ASC: Fun Day and Cupcake decorating master class
05/12/17	BSC: Kindergarten book project, paper Christmas tree and kid fit program ASC: Kindergarten book project and fork painted christmas tree
06/12/17	BSC: Kindergarten book project, construction paper reindeer and kid fit program ASC: Kindergarten book project and finger print snowman
07/12/17	BSC: Kindergarten book project and pop up christmas card ASC: HOT GLUE GUN- Peg elves and Garden Club
08/12/17	BSC: Kindergarten book project Pancakes and cartoons ASC: Kindergarten book project and finger print christmas card
11/12/17	BSC: Kindergarten books and summer water park design competition ASC: Basketball round robin and Cupcake decorating master class
12/12/17	BSC: Kid fit program and Fun day ASC: Fun day
13/12/17	BSC: Kindergarten books, kid fit program and child directed scavenger hunt ASC: Mini Movie Making
14/12/17	BSC: Mini Football match ASC: 3D Christmas tree Garden club
15/12/17	BSC: Pancakes and Cartoons ASC: Christmas themed Clay creation and painting

Upwey South Music Concert

The Upwey South instrumental music concert has been announced!

Date: Monday, December 4th

Time: 6:00 pm til 7:30 pm

Location: The Gym at Upwey South Primary

There is a growing interest in learning musical instruments at Upwey South. This concert will showcase the work of our talented music students of all ages. Come along and support your friends as they brave the stage and share what they love to play. If you are interested in learning an instrument, this concert will give you a chance to hear guitar, piano, drums and singing.

**Groove
FOUNDATIONS**
Music School

See you there!

HAPPY BIRTHDAY

Amelia O, Mitch D, Dakota R, Hollie L, Tyler M, Ellena O, Harrison C & Ryan H

Is it your birthday?

With parent permission, students may wear casual clothing to school to make their birthday even more special.

Community News

Yarra Ranges residents are invited to have their say about an exciting new play space to be built on Upwey’s main street.

The new play space will replace ageing play equipment in the area and will be for people of all ages, providing experiences for children, teenagers, parents and older residents.

Council is after comments and feedback from the community on the play space design. The feedback received will directly inform the development of the play space design.

Urban design for new furniture and landscaping is being undertaken for Upwey in a separate scope of works over the coming months. This will inform the design of furniture and landscaping for the Main Street walk through space.

Consultation around this design is expected to take place in the new year.

Please see link below to provide feedback and if you can please share with families and the wider community whom you work with.

<https://www.yarraranges.vic.gov.au/Lists/Current-consultation/Upwey-Playspace-Renewal>

#ITSINTHEBag ESSENTIALS

- Shampoo
- Conditioner
- Toothbrush
- Toothpaste
- Soap
- Deodorant
- Sanitary Items

18th November to 2nd December 2017
www.dignity.com.au

Donations Wanted!

You have the power to make life better for a woman or girl experiencing homelessness or poverty this Christmas!

Simply choose a handbag in good condition that you no longer use. Then fill it with items that are essential:

Toothpaste, deodorant, shampoo, conditioner, soap, sanitary items, toothbrush and drop it in the bucket at the office!

If you don't have a handbag – donations of essential items are greatly needed so please feel free to pick up a few things at your next shop and simply donate those instead! Even one or two items per family would be amazing.

Thank you in advance for your support

If you have any questions, or for more information – please call Amanda on 0438 668 688
