21st: Last day of Term 4
1.30pm dismissal

We are in the process of transitioning to Compass. Please click on the link below and use your log-in details to access.

[USPS Compass Link](#)

Pictured above: Some of our Year 3-4 students experiencing the many things Melbourne has to offer, as part of a recent three-day camp at CYC City Camp.

A Message from the Principal

Welcome to another edition of the Lyrebird Word. In this issue we are proud to share with you some amazing experiences our students have had over the last fortnight, including:

- ⇒ **Year 3-4 CYC City Camp**
- ⇒ **Eastern Metropolitan Tennis Finals**
- ⇒ **Year 5-6 Family Planning Victoria Sessions**
- ⇒ **The Spring Shindig**

Please refer to following pages for photos of the above.

School Review Report

All Victorian Government schools undergo a four-year review cycle. At the end of each cycle, an accredited panel assess the school's achievement against the goals of their School Strategic Plan (SSP).

Our three-day review period for our SSP 2014-2017 was held in the final week of August, and is now available for viewing by the wider community.

You will find a copy of the report on the following link: [School Review Report 2018](#)

As a follow-up to the above, the School Council met on Monday evening and discussed goals for our next SSP (2018-2021), which have been submitted to DET for endorsement, and will be available for sharing with our community in the coming weeks.

Dogs on School Property

Recently we wrote to the community outlining our approach to dogs on school property. Unfortunately due to a number of incidents we have had to reassess our position and are now a "No dog allowed zone".

Please refer to the "Dogs at School Policy" for further details.

YEAR 3-4 CYCITY CAMP

From Wednesday 14th– Friday 16th November our Year 3-4 students and a group of supportive parents attended the CYC City Camp. The experiences of camp enabled the students to access all of the wonderful things on offer across Melbourne city, in a safe and supervised environment.

During the three days we did nearly everything possible, from going to the top of Eureka Tower, to the museum, parks and beyond.

We would like to say a huge thanks to everyone involved in making our camp a huge success! The photos below tell you what a great time we had at CYC City Camp!

Spring Shindig

What is the Spring Shindig?

The Spring Shindig is a mini-fete/ market stall run by the students (with staff assistance), which has been a yearly tradition within the Upwey South Primary School Community for over 30 years. Over the last 30 years, the Shindig has been held on the Friday following the Melbourne Cup Public Holiday.

The Shindig has been traditionally structured to provide our senior students (Year 5-6 students) with the opportunity to apply their understanding of Financial Mathematics to a real-life situation. Throughout Term Four, all Year 5-6 students have been working in small teams to develop a business plan for their stall; involving various explicit stages of learning, such as market research, concept development, budget analysis, sourcing of items, marketing of their stall, and risk management. During the Shindig, each team of Year 5-6 students will set-up, run, and pack-up their own stall, with support from their classroom teacher.

In addition to the Year 5-6 led market stalls, each Foundation- Year 4 class has been allocated a shared-class stall, with a roster of student-supervision to oversee the class stall having been drawn up by the classroom teacher. Over the previous weeks, classroom teachers have been in communication with families regarding the focus of their class stall. Over the last 30 years, class stalls have included pre-loved clothing, books and toys, lucky dips, plant and food stalls.

In 2018, we are proud to say that a total net profit of \$2540 was raised by our student community.

Congratulations to everyone involved.

EMR Tennis Tournament

From Wednesday 14th November, eight students from our school represented the Dandenong Ranges District at the Eastern Metropolitan Region Tennis Finals.

The finals were held at Huntingdale Tennis Club in very wet conditions, but we are proud to say that all students involved battled through the weather with a smile on their face!

Unfortunately, due to poor conditions we were only able to play our doubles finals on the day. Congratulations to all students involved, who experienced many wins on the day and displayed great sportsmanship and were extremely encouraging of other schools.

Congratulations to Lydia, Anika, Cody, Hannelore, Ryan, Ashton, Kevin and Joschka for representing our district with pride!

Student of the Week

Acknowledging positive learning behaviours

Student	Class	Positive Learning Behaviour
Amelia O	1/2D	For always trying your hardest with learning tasks and for being such a fantastic help in the classroom. You have been working really hard to create your information book and should be really proud of your efforts. Keep up the fantastic work Amelia!
Mitch D	3/4H	For being a committed and passionate learner. I am very proud of the wonderful book you created about the Solar System. Well done Mitch!
Tyler M	3/4M	Congratulations Tyler! You continue to improve in all areas of your learning. You are a clever and thoughtful young person. 3/4M is lucky to have you in their class. Don't forget to believe in yourself. I am very proud of you.
Paige A	3/4P	For consistently demonstrating the values of respect and resilience. Paige is kind and caring to all members of our community. She also takes on challenges with a smile on her face and a willingness to always try her best especially when learning a new concept.
Tara D	5/6M	For demonstrating business management and initiative at the Shindig. You displayed resilience when you encountered equipment failures. Well Done!
Ryan H	5/6P	For showing great resilience during our grade 5/6 camp, you demonstrated persistence and perseverance to enjoy many of the individual and group activities on offer. Congratulations on your fantastic effort Ryan!
Madison B	Japanese	For demonstrating learner resilience by welcoming new learning challenges with her devised approaches. Well done for completing the Japanese colour challenge in time by your good strategies such as referring to the colour chart and efficiently colouring all the designated sections with one colour at a time.
Bonnie F	Japanese	For demonstrating learner resilience by staying focused on the task and helping the teacher throughout the lesson. Well done for completing the task nearly in time by working efficiently and making most of the given time.
Lucy R	P.E.	For always showing respect, responsibility and a willingness to learn new skills in all PE classes. Well done Lucy and keep up the excellent work!
Julius T	P.E.	For an outstanding attitude, willingness to learn and displaying excellent sportsmanship in the recent divisional volleyball finals. Well done Julius and keep up the excellent work!

Upwey South Primary's Colour Fun Day!

Monday 26th Nov

**Raise funds & have fun
Earn rewards!**

What is involved?

School Council and PTA members have been in contact with local schools and organisations in order to make an informed decision about holding a Colour Fun Day. Our Colour Fun Day will be held on Monday 26th November 2018, from 2:00pm – 3:15pm. Please note, that on this day, there will be no assembly, and we encourage parents to attend the event, and even join in the run/walk!

During the Colour Event, students will run/walk around a designated course within the school (similar to the Cross Country course). Whilst running/walking, the students will pass through various checkpoints at which teachers/parents have the option to squirt checkpoint colour on the students. *Of course, each student has the choice of bypassing the colour checkpoint, and continuing through the course.* Students from our school who have participated in community colour runs, have said that they are a great deal of fun – a perfect event in the last term of school!

How does my child fundraise and what will the funds be used for?

Through this event we are raising much needed funds to continue the refurbishment of the current “senior school” classrooms. We aim to continue our carpet replacement, and update furniture to enrich the learning environment for your children.

Within this envelope, you will find a Sponsorship Form booklet with instructions on how to raise money and order prizes. Students can obtain donations in cash using the Sponsorship Form and/or utilise online fundraising.

Students who raise as little as \$10 or more will receive an incentive prize for their efforts. But why not get them to aim higher? As a family, you have the option to choose up to five (5) prizes and this will set your fundraising goal. Family and friends are your greatest supporters, so ask them first for their support. You will reach your fundraising goal in no time!

About the Colour Powder used

The colour powder used in our event has been sourced direct from India, the home of Holi Powder. It is made of high quality corn starch and permitted food colours. It's non-toxic, biodegradable, skin safe and environmentally friendly. Toxicological Risk Assessment and ingredient listings can be obtained from the School Office upon request. *(Students with asthma are advised to be considerate of their plan and triggers in their decision to participate).*

Upwey South Primary's Colour Fun Day!

Monday 26th Nov

**Raise funds & have fun
Earn rewards!**

Online Student Profile Page

We encourage families to create a Student Profile Page at www.myprofilepage.com.au which is unique to your child. There are some great features, like recording your sponsorships and selecting prize goals.

If you would like to, you can also utilize online fundraising. Schools that use online fundraising raise, on average, 130% more! It is safe and secure. Our online fundraising provider, GoFundRaise has helped many charities and fundraisers connect. No photo of your child is required. No identifying information is included (like student's full name or what school they attend). If you elect to utilize the online option, we encourage you to make cybersafe choices, and speak with your child's teacher if you require assistance.

You can share your fundraising goals easily with family interstate or overseas by using social media or email. Again, the linked information does not identify your child to the general public. Rest assured that the Upwey South Primary School Council and PTA take cyber-safety seriously.

Not for you?

That's okay. You can opt-out by completing the "will not participate" part of the form in this pack. All colour run forms need to be signed and returned no later than Tuesday 20th November.

Note: your child can participate in the day and raise funds by running/walking the course but bypassing the colour stations. We will set up diversions for those not wanting to get colourful!

What is supplied by us and you

We will supply all participants with sunglasses to protect their eyes from colour powder, rubber wristband, refreshing icypole on completion, and a wonderful fun memory!

We will also get a few parents to bring their leaf blowers to clean down areas and participants after the race, if they like!

You need to supply a white t-shirt (if you don't have an old one, see Kmart or Big W - around \$3). Kids can wear other fancy white clothes if they choose (like shorts, tutus, socks etc).

NOTE: We cannot guarantee the colours from the event will wash out, so please don't wear your best clothes.

ENROL NOW

2019 Prep Enrolment

Do you have a younger sibling who will be starting school in 2019?

Are you a new family to our school, and would like to join for 2019?

Do you have friends, neighbours or extended family who may like to enrol for 2019?

If so, please click on the image to the left (hyper-linked) to download a PDF enrolment form. Further forms will also be required to complete your enrolment which are available from the office.

Alternatively, please visit our school website or contact the main office during school hours.

Dates of 2019 Transition sessions are listed in the graphic below.

UPWEY SOUTH
Primary School

2019 Foundation Transition Program

Welcome to Upwey South Primary School!

As a community-minded school, we focus upon creating strong relationships within and between families across our learning community.

Therefore, the 2019 Transition Program will provide parents and their children with opportunities to engage in building connections, to prepare you for the commencement of the 2019 school year.

As a school, we utilise the communication app **Flexibuzz** to send out reminders and information to families via smart devices, such as your mobile phone.

We highly recommend you download the app by:

1. visiting <http://www.flexibuzz.com.au/>
2. registering your details using authentic information
3. selecting Upwey South Primary School
4. joining the communication box titled **2019 Foundation Transition**

As a member of this communication box, you will receive reminders and up-to-date information which is important for your family, as you prepare for the 2019 school year.

Please refer to the information over page, detailing the 2019 Foundation Transition Program.

Should you have any questions or require further information, please contact the school directly.

We look forward to learning alongside you and your child in 2019 and beyond.

Upwey South Primary School

Date of publishing- Friday 31st May 2018

Transition Session One: An Evening for the Parents

When: Monday 27th August 6:30pm-7:30pm

Session Focus: When your child is starting school, this new beginning can bring mixed feelings. Before we focus upon supporting your children with their transition to school, we must first focus upon setting your family up for success.

Join us in the Lifelong Learning Centre, as we share information over supper and get to know other parents.

At this session we will discuss the specific information you need to know for the 2019 school year such as; term dates, pupil-free days, early-years interviews, school lunches, school bags, uniforms, curriculum fact, who is who in the school, out of hours school care, where can I go for help...and the list goes on.

NOTE: This session is aimed at parents only.

Transition Session Two: Getting to Know our Foundation Families

When: Thursday 20th September 9:15am-10:15am

Session Focus: Join us in the Junior building, as we undertake shared art/craft learning tasks based upon getting to know each other.

This session is targeted at Foundation students and their parents, with everyone expected to join in the learning tasks together. The aim of this session is to familiarise you and your child into the physical environment of the Foundation classrooms. It will also provide you with the opportunity to meet our amazing Visual Art teacher, Mrs Samantha White.

Transition Session Three: Planting the Seeds for Learning

When: Thursday 11th October 9:15am-10:15am

Session Focus: Join us, as we get our hands dirty planting seedlings to watch and grow over the coming transition sessions.

This session is targeted at Foundation students and their parents.

Your child will be provided with the chance to get to know others as we work together to plant seedlings, and make predictions about what might happen as they grow.

Foundation teachers will also be utilising this session to observe the amazing things your child can possibly already achieve using their fine motor skills such as, writing, colouring, cutting and digging. Teachers will also be observing social interactions and looking at the manner with which the students can follow instructions to interact positively with others.

2019 Foundation Transition Information available via Flexibuzz and on our school website.

Click on link to access.

Principal Learning Awards

To access up-to-date information for 2019 beginning students, join the communication box titled 2019 Foundation Transition.

Contact the main office to book a school tour.

Service mobile: 0487 700 024

Head Office: 1300 366 437

This term we are learning all about the world around us. Each week the children are visiting a different country and engaging in different activities including cooking, science, craft, sport and much much more! We have visited Australia, Italy, Germany and Japan. In the upcoming weeks we will be visiting the USA, France and China.

This term we will also be running 2 enrichment programs!

Active Club with Educator Jackson

and

Craft Club with Educator Brooke

Our first active club was a huge success with the children learning a number of new basketball skills and implementing them in a game with Educator Jackson. This Week they will be learning all about cricket. They will learn handy tips and skills to help improve their understanding of such a widely loved sport around the world. Tune in next week to hear about our Soccer addition.

Craft has always been very popular at Upwey South Extend and the craft club is no different. For our first session educator Brooke taught the children how to weave wool around a paper plate to make a colorful bowl. This week the kids will have the opportunity to make their very own Dragon Eggs, with sequence and colours galore.

Our extend superstar this week is:

Maddie S

For showing great resilience and finding activities to engage in when entering the service.

Well Done Maddie!

Extend-a-Hand

Learn | Aid | Appreciate

Each year Extend launches *Extend-a-Hand*, a major social initiative that educates primary school children on the benefits to contributing to the wider community. This year, we are extending a hand to our hard working farmers who have been suffering through one of the worst droughts in living memory.

Learn | Children will learn about weather systems and cycles, the impact of drought and who really provides our food.

Aid | Extend has partnered with GIVIT.org.au to raise funds for farmers and their farmers

Appreciate | Children will create handwritten letters and drawings expressing sentiments of gratitude and encouragement to the farmers and their families.

Visit Extend's donation page via GIVIT and participate in this fantastic cause!

<http://givit.org.au/Extend-a-Hand>

The children have loved learning about the farmers, what a drought is and the environment. We have planted our own seeds, crafted corn fields and water drop collages, written letters of appreciation and made paper plate farm animals. Not only have the children enjoyed engaging in a range of activities but learning about ways to help the environment and our communities.

BOOKINGS OPEN NOW!

Extend's school holiday programs are a fantastic opportunity for your child to do fun and engaging activities with friends. Book 14 days in advance to receive the early bird rate.

Community News

OnPsych School Psychology Services

Do you find that your child is displaying emotional or behavioural issues? OnPsych are a team of fully qualified and registered psychologists who specialise in child and adolescent services working in primary and secondary schools in both individual and group settings. Services are performed at NO COST to the school, student or parent through Medicare bulk billing.

We are now lucky to have an OnPsych staff member at Upwey South Primary School, Lily.

Who is Lily?

Lily is a passionate psychologist who works with both children and adolescents who are experiencing a range of psychological issues such as anxiety and mood disorders, Autism Spectrum Disorders, interpersonal, learning and behavioural disorders, exam stress, self harming and adjustment difficulties (social & situational). Lily employs psychological techniques such as Cognitive Behavioural Therapy, client-centred and solution-focused therapy with psycho-education. Lily firmly believes that a collaborative approach will produce the most successful outcomes for a child. If you believe that this might benefit your child, please contact your child's classroom teacher for further instructions.

If you would like any further clarifications about the onPsych service, please call us at 1300 659 350.

2nd Hand Uniform Shop

Open every Thursday 3 – 4 pm , behind the main office next to the staff room

Cheap *Convenient *Environmentally Friendly

All Logo item \$2 All non-logo items \$1

Come and check it out!

Donations of old uniforms gratefully received and can be dropped off at the office at any time

Fresh Fruit Fridays

We value the support of our local community store!

Each class will receive a platter of cut up fruit.

If any parents could volunteer their time to cut up and distribute the fruit each Friday morning from 8.50am it would be greatly appreciated.

You must sign in at the office and have a current Working with Children check.

All fruit is donated by our local IGA in Upwey, we thank them for their continued generosity.

How the locals like it.

Lost Property is held in the school office.

Please ensure you name all items your child brings to school.

All named items are returned back to the classroom.

Now is also a great time to check your child's clothing to ensure they have their own items.

Thank-you for your assistance.
