A Message from the Principal

Welcome to the final newsletter for 2017. At this time of year, the idiom "Time flies..." is often referenced, and in this case we must agree with the sentiments of the saying! How quickly the 2017 academic year has passed by!

As we head into the final week of the school year, it is an apt time to pause and reflect upon the achievements of our amazing students. We are also very proud to say that the wider community have also been taking time to acknowledge the amazing achievements of our students, with another article appearing in the Ranges Trader newspaper last week. To add to all of this, we are extremely fortunate that the Deputy Premier/ Minister for Education & Emergency Services, Mr. James Merlino will be in attendance at our Year Six Graduation!

As a school we are looking forward to our annual Christmas Concert which is to be held on Thursday 14th December. Food will be available from The Hungry Panda and Babaji's Food Trucks from 5:00pm. Drinks with Myrtle Coffee Van will also be serving coffee and similar drinks for parents. All food trucks and vans will be located on the Basketball Court. The concert will begin promptly at 6:30pm, with the items being performed on the outside stage. At this stage the weather looks promising!

We also look forward to celebrating the achievements of our Year Six students with a wonderful graduation evening planned for Wednesday 20th December. The evening will begin with dinner for our graduates, followed by student performances and presentations at Upwey High School.

As we enter the Summer break, it is an important time for all of us to consider the role of our local community in keeping children safe as they move within our community. As a school, we have taken the additional steps of placing four teachers onto after-school yard duty, covering all exits from the school. However, keeping children safe at the end of the school day, and in school holidays, requires a partnership with all parents. It is an expectation of the school that all students who are remaining in the school after 3:45pm are **directly supervised by a parent**. Direct supervision means that the parent has a **"direct line-of-sight"** for their children. Students who remain in the yard after 3:45pm, without direct supervision will be asked to accompany a staff member to the office to wait for their parents.

2018 promises to be a very exciting year for our school, as we enter a "Year of Review" with the VRQA and DET. We look forward to continuing to partner with you to as we take our school in a new and positive direction.

Integration Aide: to be advised

Integration Aide: to be advised

Administration Team

Business Manager: Clare Butterworth

Office Manager: Janette Clarke

TSSP Technician: Daniel Nisi

Principal: Damien Kitch

Positions to be advised:

Trisha Emley, Brit Poulson

Leahanne Griffiths

Steve Hall, Justin Scicluna

Only those staff paid directly by the school are listed, and peripheral support staff such as educational psychologists, speech pathologists, visiting psychologists and contractors are not listed.

Who are our new staff?

Who is Mr Arnott?

Mr Matthew Arnott comes to our school as a mature-age graduate, with teaching experiences at the high-achieving inner eastern primary schools of Camberwell South Primary School, Ashburton Primary School, and Toorak Primary School.

Mr Arnott comes from a family of teachers, with his mother having taught primary education in the Dandenong Ranges for over 30 years, and his wife having been a teacher at a prestigious inner eastern primary school for the past eleven years.

Mr Arnott holds a Master of Education (Primary), with a Bachelor Degree in Arts, majoring in Children's Literature and History.

Mr Arnott is also a proud father and has recently visited our school a number of times with his family.

Please join us in welcoming Mr Arnott to our wonderful learning community.

Who is Miss Henchley?

Miss Meghan Henchley joins our school as an experienced graduate teacher, with a strong background in tutoring both primary and secondary students. Miss Henchley values active home-school partnerships in learning.

Miss Henchley brings to our school valuable experience in Positive Behaviours for Learning, with a background in special education. She has recently taught at Yarra Ranges Special Development School, Melba College and Lillydale West Primary School.

Whilst at Lillydale West Primary School, Miss Henchley led the school's robotics program in 2017, and has a strong knowledge base in coding, programming and digital learning.

Miss Henchley holds a Bachelor of Education (Primary), majoring in Visual Arts.

Please join us in welcoming Miss Henchley to our wonderful learning community.

Who is Mrs McQueen?

Mrs Laura McQueen joins our school as an experienced primary educator, with a strong understanding of the middle years curriculum. She brings to our school a wealth of knowledge in Positive Behaviours for Learning, having most recently been a member of the Strategic School Improvement Team- Culture, Climate and Curriculum, at Rivergum Primary School.

In addition to her primary teaching qualifications, Mrs McQueen holds a Bachelor Degree in Social Science, majoring in Youth Work and Counselling. She also holds a Diploma of Positive Psychology- Student Wellbeing, and a Certificate IV in Workplace Training and Assessment.

During her time as a Professional Learning Team Leader at Rivergum Primary School, Mrs McQueen oversaw the introduction of a whole-school social emotional wellbeing program, based upon the Kids Matter Framework.

Please join us in welcoming Mrs McQueen to our wonderful learning community.

Who is Mrs Pendlebury?

Mrs Julie Pendlebury joins our school as a mature-age graduate, with teaching experiences at Mentone Primary School, Chelsea Heights Primary School, and Apiti Te Uki Ou Primary School in the Cook Islands.

Mrs Pendlebury brings to our school valuable experience in Positive Behaviours for Learning, having complemented her tertiary studies with additional qualifications in the prestigious Monash University Masters Internship in Curiosity and Powerful Learning Behaviours.

Mrs Pendlebury is a proud mother, who has recently visited the school and is excited to utilise her background in business communications and information technology with our senior students.

Mrs Pendlebury holds a Masters of Education- Primary, and a Bachelor of Business.

Please join us in welcoming Mrs Pendlebury to our wonderful learning community.

Advanced Art Club Mural

Over the last term, members of our Senior Advanced Art Club have been working tirelessly on a large indigenous mural, which is now on display at the Morris Road entrance.

This mural represents the view of the sunset, to the west over the top of our school buildings. It has been placed at the entrance of our school as an open welcome for our community visitors.

Please join us in congratulating such an amazing achievement!

The digestive trip

Hi I am Chelsea the Cheese and it is almost time for my trip through the digestive system and I am so excited!

Oh! Oh! Gemma just walked in and she looks hungry so I am just going to flop down next to Emily the egg. I do hope that we go for a trip through the digestive system together (gasp) she is coming. She is getting a plate and coming this way and she has a plate with her, yay CHOMP! SQUASH! CRUNCH! OUCH! Geez! I think getting into the digestive system is the hard part! AAAAGGGGGH! Now I know where my friends go, they have been dissolved by saliva! OH NO, I could get dissolved to, indeed to swim really fast to get out of here! Phew, we made to, somewhere.

Yawn! Travelling down the esophagus is getting pretty boring and I just want to sleep and I know if I do I'll probably miss my turn so I guess I wait until we get to the stomach. Waiting... waiting and still waiting this is so boring! I thought this was going to be fun not 'oh I wish I did get crushed in the mouth' but now we finally made it in to the stomach oh that's ages away

15 MINUTES LATER

Woohoo I am in the small intestine but this is so small that I am more boiling than Emily when she gets angry, wait I've just realised why I'm so hot, the small intestine is trying to break me and Emily down and dissolve us then absorb our nutrients AAAAAAGGGGGH! Swim for it!

Wow! Travelling down the small intestine to the large intestine is so much quicker, but I think ... oh no it is the waterfall to the..., 'Emily we've had a good run' then I realised Emily got dissolved in the small intestine I'm on my own. NNNNOOOOOO! CRASH! SPLASH! It stinks as well (gasp) the rumours are true, it's the flusher.

GGGGGOOOOOODDDDBBBYYYEEE FFFRRRRRIIIIEEEENNNDDSSS!

Authored by Georgia Year 6: using "personification" as an effective tool to engage her audience.

Georgia's writing is linked to the Year Five-Six unit of study on The Human Body.

GIFTED INSIGHTS– Marvellous Moving Machines Celebration

Q - What do you know now that you didn't know before?

Sam C- I now know all the different names of the Lego pieces and about the ratio of the gears. If it is big to small ratio, the faster it spins and if it is small to big, the slower it spins.

Jake B- I have learnt how the pedal breaking systems work on bikes. I also learnt about making and creating Lego cars using the motors to make them move.

Bonny F- I now know how to make the Lego car work using the motor and how to put it all together to move. I have enjoyed working with other people and making things move using motors.

Q – What do you think it means to be a flexible thinker?

Sam C- You can adapt your thinking and think in different ways.

Pippa L- To think outside the box.

Q - What do you know now that you didn't know before?

Leigh P- I know about Lego and that you can get other pieces of Lego to make the pieces that you don't have.

Rocky T- We didn't have the right pieces of Lego to make the design so we had to make use of what we had. I have enjoyed building designs using the instructions.

Ella B- I now know about the gear wheels and that you can make stuff move using them.

Jack VH- I have learnt all the names of the pieces of Lego and all about the gears. If I was to become a car maker or designer I would know the names of all the parts.

Q – What do you think it means to be a flexible thinker?

Ella B- It means that you can problem solve.

Leigh P- To be a really good thinker and to be able to think well.

Q - What do you know now that you didn't know before?

Liam McH- I know how to make different things that I didn't know how to make.

Abbey G- I now know how to make things from pictures and not use the instructions. I also learnt how to combine two different shapes of blocks to make longer shapes.

Ruby K- I now know about gears and balance. I also know about all the different pieces of Lego and how to use them to create different things. I really liked making the mixer and learning all about the gears and how they work - if you turn something with a gear, it connects with something else and that connects to another thing to make it turn.

Q – What do you think it means to be a flexible thinker?

Abbey G- To be a flexible thinker means to extend your thinking further than you ever thought you could.

Ruby K- It means to extend your thinking and learn that if something goes wrong you have to bounce back and try and fix it.

Thank you to all of our families for supporting the Gifted Insights Program.

Student of the Week

Acknowledging positive learning behaviours

Student	Class	Positive Learning Behaviour
Luca B	FP	Demonstrating responsibility by making positive choices inside and outside the classroom
Alexis B	FP	Her hard work during writing to say and write the letter sounds of commonly used words
Tom H	FP	His positive attitude towards all aspects of his learning throughout the year
Harley G	FR	Making excellent progress in his writing
Lainey G	FP	Cooperatively working with her group to find out the length and area of her giant
Lillie D	FR	For being a hard working and caring member of the class
Hannah F	1/2W	Settling in well at Upwey South and always having a positive attitude
Dragana V	3/4D	Working hard to improve her times table
Ashlea J	3/4H	Always trying her best in class tasks
Ruby G	5/6H	Consistently being kind and demonstrating empathy for others
Ryley J	5/6H	Consistently setting the example as a respectful, responsible and resilient class member
Jess K	5/6M	Working hard in class and singing so beautifully
Samuel C	5/6O	Excellent work in probability
Olivia H	5/6O	Your eagerness and positive attitude
Emily T	5/6O	Showing initiative in helping other classmates when needed
Abbey G	Japanese Award	Achieved 95% accuracy on the revision 'Quizizz' task this week
Ruby G	Japanese Award	Has been showing great leadership in encouraging others and helping others during Japanese lessons this year
Chloe L	Japanese Award	Has been one of the most enthusiastic learners of Japanese and has shown excellent manners throughout the year
Hayden M	Japanese Award	Excelled at Kanji-character word search this week. He found all the 12 months within a few minutes
Jacob O	Japanese Award	Has always been a keen student who completes all the tasks with quality on time

Our Junior students have been very keen to share their learning on our newly installed outdoor chalkboards.

Contributions have included art work, math equations, stories, and spelling!

It is wonderful to see how responsible everyone has been with our new outdoor play space!

Last Saturday, Jasper S. represented Sherbrooke Athletics Club in the Under 8 Boys Division, competing at the Knox Athletics Open Day. Jasper confidently competed against athletes from all over Victoria. Through applying a growth mindset and focussing on trying his best, Jasper won a bronze medal in discus, was a finalist in 60m hurdles, shot put, and long jump. Congratulations Jasper on achieving a number of personal bests for the day!

MGK at Upwey South Primary School 2018 Term 1

Ensigns to Emoticons: communicating with images

Symbols are a powerful way to show agreement or give instruction, express affiliation (show you are part of a group) or convey an urgent request!

For centuries, humans have been using symbols to communicate facts and feelings, and succinct messages: one-to-one, one-to-many, or group-to-group. Such symbols cover an infinite range of style, purpose and function, and often mean different things to different people.

Learn about: iconic images, symbolism in art, cultural totems, use and meaning of emblems and colour in the design of heralds and flags, how images evoke emotional responses, create and reinforce meanings ... in this new fascinating unit of study, developed specifically for gifted children.

Teacher: Catherine Cross

Explore, question

Experiment, discuss

Think, wonder

Be challenged and learn ... while having fun with like minds.

This unit consists of 8 x 1-hour sessions, starting early in term 1. Cost for the unit is \$240. To confirm that the program is suitable for your child, to request testing or to enrol, please email or call.

Upwey South Music Concert

On Monday December 4th, Upwey South hosted the Instrumental Music Concert. Congratulations to all performers, you played exceptionally well! It was an absolute joy to see our music students play with such confidence and enthusiasm. For many students, this was their first concert performance. It takes a lot of courage to perform in front of a large audience, so well done to everyone who braved the stage.

Originally, music concerts were held in the Prep 1/2 area. Music is so popular this year that we simply couldn't fit. The concert was held in the gym and all performers played on a raised stage. This new location and raised floor allowed for an improved experience for musicians and audience members alike.

A special thanks to our hosts, Georgia, Ruby and Charlee-Belle. You directed the night efficiently and made the performers feel welcome on stage. A huge thanks to my fellow teachers from Groove Foundations. You continue to help students achieve their best and develop a love of music. Our instrumental teachers are Amaris, Jarrad, Jed, Maggie and myself, Jordan. At the heart of every music program is a great performing arts teacher. A big thanks to Mrs Lang for her passion to share her love of music with all students.

Here's a lovely testament from a parent, Katy. "Groove Foundations have done a wonderful job with their students who performed at the Upwey South Primary Music Concert. They deserve recognition as it was by far the best performing arts concert I've seen at this school. The children have learnt so much and performed so well!"

A final note, I asked Mitch which performance was his favourite and he said, "I liked them all".

I'm looking forward to seeing you all perform at the next concert!

Keep it Groovy,

Jordan Scotney

Extend at Upwey South Primary

PARENT PORTAL: extend.com.au

EXTEND HEAD OFFICE: 1300366437

MOLLIE OSHC: 0487700024

ANNOUNCEMENT

We are delighted to announce the launch of a brand new and exciting platform for families.

The Parent Portal will cease to operate at the conclusion of Term 4 Before and After School Care and will be replaced with a reliable, flexible, and user-friendly platform named LookedAfter.

All families requiring bookings for the Summer Holiday Program and/or 2018 Before School Care and After School Care (existing and new families) must create a new account with LookedAfter.

<https://www.lookedafter.com/>

SUMMER HOLIDAY PROGRAM BOOKINGS ARE OPEN!

Book 14 days in advance to receive early bird rates.

Get creative with a variety of art and craft projects, participate in delicious cooking activities, carry out a bunch of fun science experiments, and loads more!

Check out the daily schedule at extend.com.au and enrol and book with our brand new platform, *LookedAfter*.

Friendly reminder

Next week on Tuesday 19th BSC, Wednesday 20th BSC/ASC and Thursday 21st BSC we will be operating out of the Library due to graduation. Permission slips will need to be completed so please drop by and see staff

Program Planner

At the end of last term the Extend OSHC children voted on our theme for term 4. The theme by popular demand was **"Wild about books"**. The majority of our activities will be themed around this topic.

TERM 4 THEME: WILD ABOUT BOOKS	
04/12/17	BSC: Christmas wreath ASC: Christmas Movie and Final Cupcake decorating master class
05/12/17	BSC: Santa paper plate and kid fit program ASC: Santa and Reindeer snack masterclass
06/12/17	BSC: Fun Day and Final kid fit program ASC: Fun Day
07/12/17	BSC: Christmas slime ASC: Christmas elves and Final Garden Club
08/12/17	BSC: Pancakes and cartoons ASC: End of year Christmas party

AUSTRALIAN OPEN JUNIOR TENNIS CLINICS 2018 (Designed for ages 5-13)

CONDUCTED BY CLUB COACHES
Stuart & Diana Sutterby

Tennis Australia Club Professionals, A.T.P.C.A Reg. Lvl 2, T.C.A.V. Reg. Adv. Coach, Bach of Teaching

DAYS:

Monday 15th January 2018

OR

Thursday 18th January 2018

@

UPWEY SOUTH T/C - Eloera St, UPWEY - (Melway Ref: 74 K12)

(Tues 16th Jan & Fri 19th Jan respectively to be used as spare days in case of inclement weather)

FORMAT:

MORNING SESSION:

9:00 - 12:30pm (includes lunch)

FOCUS: Skill development

Technique – correction and analysis, physical training, sportsmanship, court etiquette, fun, games & prizes.

AFTERNOON SESSION:

12:00 - 3.30pm (includes lunch)

FOCUS: Tournament/Match play

All Hot Shots pupils rally & score. Hot Shots starter tournaments are a great way for pupils to experience the thrill of match play in a multi-match round robin format. Pupils play in their own colour ball programs/levels - red, orange and green- against players of similar ages under qualified coach supervision.

11+ age group will play round robin using normal yellow balls.

Tactical aspects of the game are also discussed via feedback from coaches.

-Trophies and prizes will be awarded to the best achievers-

Both sessions include a sausage sizzle lunch & drinks for all participants

BOOK A MORNING, AFTERNOON or BOTH SESSIONS – the choice is yours!

COST:

\$35 per half day session

\$65 for full day

FAQ

What is Go Girl?

Frequently Asked Questions

Go Girl, Go for IT is a free IT career showcase for all Victorian school girls from years 5 - 12, hosted every 2 years by the Victorian IOT for Women network. The aim of this event is to showcase the incredible range of vocational avenues available in IT to young girls.

The event provides opportunities for young girls to hear inspirational women talk about how they have built successful careers in IT, as well as to take part in competitions, interactive workshops and a tradeshow supported by a number of large corporate organisations.

Why Go Girl?

A career in IT is a fantastic opportunity for all, it is well paid, demand is high, you can work in any industry, from anywhere in the world and the opportunities associated are endless. We can't even name all of the roles yet, because they are forever developing.

Despite making up the majority of higher education students, females are severely underrepresented in IT studies. Students make the final decision on university courses in the later years of high school and our aim is to excite and inspire girls to choose subjects which will lead them to IT.

Who?

The Go Girl event is open to girls in Years 5-12 from Victorian Schools.

Where?

Deakin University Burwood Campus

How?

The Go Girl, Go for IT event is **free** to attend and buses are subsidised by our generous sponsors so it's **free** for you to travel to and from the event!!!

Ambassadors for the event

Solange Cunin, CEO and Founder of Cuberider
Ally Watson, Co-Founder of Code Like a Girl

School Sport Victoria State Team Trial Registrations are open; Australian Football, Netball, Basketball, Football (Soccer), Softball, Tennis, and Volleyball. These trial registrations close Thursday, 1 March 2018. You can find all the details via [School Sport Victoria's website](http://www.ssv.vic.edu.au/team-vic). <http://www.ssv.vic.edu.au/team-vic>. If you are looking for a document that details the process please download the ["Team Vic Online Registrations Process"](#). This will give you all the information you need to know before registering.

We have also gone to the trouble of creating two letters. If you have students that you believe have the talent to make a state team, then please [fill in this letter](#) for the family and have the parents register online. In the unfortunate event that families register without the schools consent, and you do not believe that they would be suitable to trial for the state team, then please send [this letter on to the parents](#).

Our monthly bulletin is sent on the last Tuesday of every month. We would be grateful if you could please link our bulletin, or relevant sections of information to the schools regular monthly School Newsletter.

You can find all the latest bulletins, on [the ebulletins page of the SSV website](#).
