A Message from the Principal

In primary schools, as we enter December we take time to reflect upon the amazing success of the past year. Whilst this is an opportune time to do so, it is also an important time to look forward to the continuous improvement of our school in 2019 and beyond.

With the above in mind, the school has recently partnered with the Australian Council for Educational Research (ACER) to gain baseline data of our school's achievement in the key areas of Mathematics and Reading. *Therefore, over the coming two weeks every child from Prep– Year Six in the school will sit a national assessment in Reading and Mathematics;* with this data being used to set goals for cohorts and individual students for the beginning of 2019. The results of the above assessments will be made available to families in early 2019.

The gathering of reliable evidence based data, and the setting and tracking of goals based upon this evidence is what is referred to as a “Professional Learning Community (PLC)”.

Student Reports

Student reports will be sent home with students on Wednesday 19th December.

Class lists for 2019

On Monday 10th December, your child will come home with an envelope stating who their classroom teacher is for 2019, and the location of their classroom. Students will have the opportunity to spend some time with their 2019 class on Tuesday 11th December.

Staffing for 2019

Selection panels are currently being conducted for 2019 teaching positions, and we expect to be able to share this with our community on Monday 10th December.

On Friday 23rd November, our Year 5/6 Girls and Year 5/6 Boys Volleyball teams competed at the Victorian Schools Volleyball Cup.

The event included schools from all over metropolitan and regional Victoria, with representative teams from independent, Catholic and government schools.

Throughout the day, our athletes displayed amazing sportsmanship and resilience.

Congratulations to both teams for an amazing state result!

Girls' team: DIVISION 1: Bronze medal

Boys' team: DIVISION 2: Gold medal

THANK YOU!

Upwey South PTA Colour Fun Day

What fun we had!

A huge thank you to all the kids and parents who took part in the Colour fundraising event on Monday!

It was certainly lots of fun and very colour-full! We raised over \$6500 - classroom updates now possible!

Prizes for fundraisers will arrive at school late next week. The PTA will arrange delivery to the children thereafter.

USPS Colour Fun Day, 26 Nov 2018

THANK YOU!

As we near the end of another amazing year at Upwey South Primary School, we can't help but say "thank you" to everyone in our amazing community!

2018 has been a hugely successful year for our community, and was celebrated by our "Colour Fun Day".

To all of our mums, dads, brothers, sisters and extended families who support us... you are the best!

We can't wait for 2019!

Thanks to you, the PTA has had a very successful 2018! WE DID IT!

We reached our fundraising target and were able to buy whiteboards for each classroom (ensuring a more consistent and enhanced learning structure throughout the school) and update the existing “senior” classroom facilities.... with new carpet to come!

All this fundraising is to benefit the children’s educational experience at Upwey South. The money received from the government barely pays for the wages and essential items - so everything else we want for the school is on us!

This year we’ve enjoyed special lunches, grandparents’ day, Mother’s & Father’s Day stalls and a flossin’ sock disco. We raised money for kids with cancer via our footy colours day and supported the Scouts & Schools Monster Raffle.

We also had the most successful Trivia Night we’ve ever held (maybe due to our poster boy, Mr Kitch?). Our Christmas in July night raised well over \$10,000. And the parents had jingle bell fun!

We introduced a new idea this year – the colour fun day. The smiles, laughter and feedback alone made it a huge success! Add over \$6500 in funds raised and you can be sure we will hold this event again!

We end the year with a pizza lunch (we don’t make millions of dollars on this, but we know the kids like a yummy lunch every now and then – and it saves parents having to make a sandwich that day!!).

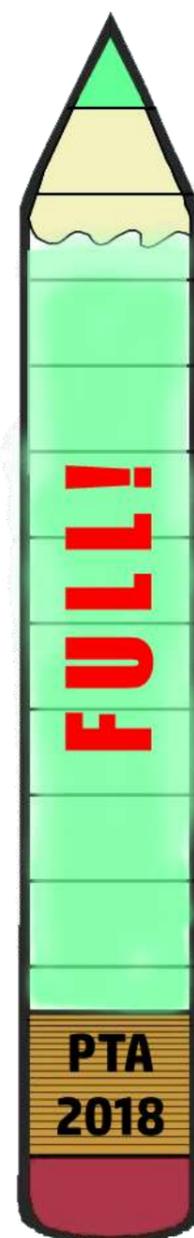

The PTA will be back next year, asking you to support our various initiatives! As you can see, your donations really make a difference!

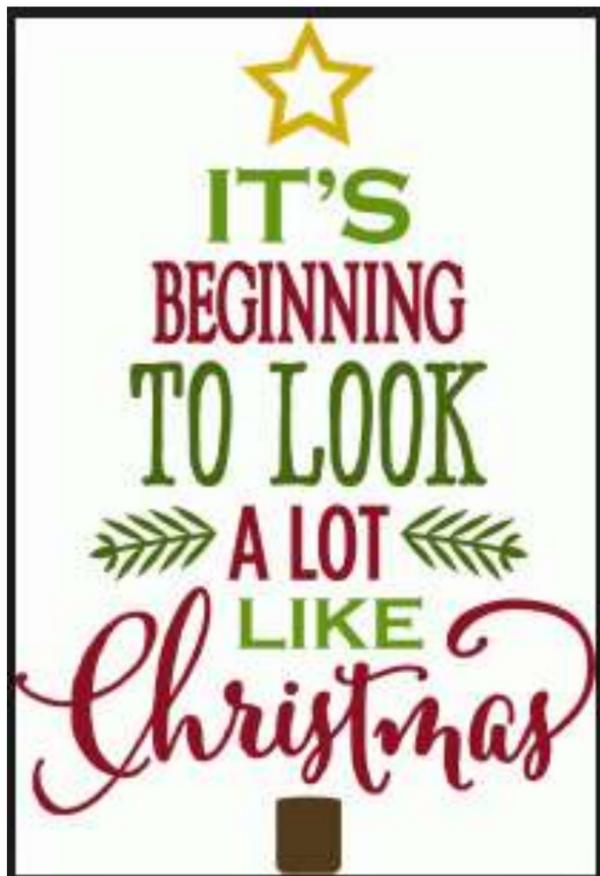

If you’d like to join the PTA (we are nice people and have fun, promise!), please send an email to upweysouthPTA@gmail.com

On behalf of our president Kaye, vice-president Mel and active members of the PTA, I’d like to thank Damien, Clare, Janette and Julie for your assistance during the year and every parent who put their hand in their pockets and donated/supported our events.

THANK YOU! – Michelle, PTA Communications

Check out the amazing art work of our students on display in the township of Upwey.

Congratulations to everyone involved in helping to spread some Christmas cheer throughout our local community!

We can't wait for our Community Christmas Carols!

Over the past week our students have been at 3MDR 97.1FM professionally recording their year level Christmas songs.

Our annual "Carols on the Concrete" is this Thursday 6th December!

What time does the concert start, and what should our family bring?

The concert will start promptly at 6.30pm on the outdoor stage and finish at approximately 7.30pm. The students should bring something small to sit on (blanket or pillow) and some water. All students are expected to be supportive of their peers, and remain seated with their class for the duration of the concert.

Families may bring chairs/ blankets, or similar to sit on.

What type of food will be available?

In 2018 there are a number of options for families to select from:

We will again be joined by two foodtrucks (Babajis and Hungry Panda) who learnt from last year's demand and are prepared for the 2018 crowd! In order to lessen the waiting times food will be available from 4:30pm. Cash is the preferred method of payment.

Drink with Myrtle will be serving coffee and drinks from 3:00pm onwards. Cash is the preferred method of payment.

Pizza is also available for families to order and prepay from Upwey Pizza. If you would like your pizza to be delivered to the school, make sure you order and prepay prior to Wednesday evening; letting the pizza shop know that you would like your order delivered to Upwey South Primary School Christmas Concert (*you will need to leave a family name for your order*). All orders will then be delivered to the Morris Road carpark at 5:15pm, where you can meet the driver and collect your order.

Bring your own Christmas dinner/ picnic. If the above are not what you are after, then we welcome families to bring along a food/picnic of their choice.

We hope that most families are able to join us for an informal school picnic before the concert.

PLEASE NOTE:

* As a primary school, this is **strictly an alcohol-free event**. * As per our "Dogs at School Policy" pets are not able to attend the concert.

Student of the Week

Acknowledging positive learning behaviours

Student	Class	Positive Learning Behaviour
Isla	FP	Well done Isla for displaying responsibility through your learning and continually developing your writing skills. Your procedural writing was detailed and well written. Keep up the great work!
Millie	FR	For your amazing improvement in your writing. Your handwriting is amazing and your procedural piece on How To Brush Your Teeth had clear steps and a lot of detail! Congratulations!
Nate C	1A	For the care, empathy and dedication you show toward your classmates. You continuously adhere to the values of respect, responsibility and resilience!
Patrick H	2H	For being responsible and resilient for his behaviour in the classroom. He is showing initiative when completing personal learning goals. A fantastic Term you are having!
Abigail P	3/4H	Congratulations Abi! You demonstrated the 3R's whilst we were away on camp. Thank you for being so helpful to your leader. You should be very proud of yourself.
Alina G	3/4M	Congratulations Alina!!! You are receiving this award for showing such resilience, respect and responsibility during the 3/4 camp! You have represented the Upwey Sth school community by demonstrating our schools 3R's. I am very proud of you.
Blake K	3/4P	For demonstrating the Upwey South Primary School value of Respect and Responsibility. You were consistently kind to others, quickly followed instructions and acted as a leader to others whilst on camp.
Angie P	5/6C	For demonstrating learner resilience when working on a complex maths concept. It was great to see you grasping the concept and celebrating your new learning of percentages and decimals.
Amelie	5/6P	For demonstrating learner responsibility and resilience when working on our probability and chance maths investigation. Well done on working hard to develop your mathematical understanding.
Saorla L	Japanese	For demonstrating learner resilience by welcoming learning challenges with great enthusiasm. Congratulations for finding all the 11 Hiragana verbs on the word search in a short time. Your Hiragana recognition skill is excellent!
Jack V H	Japanese	For demonstrating learner resilience by using good strategies to overcome new challenges. Well done for being a great team player and helping your group get 100% right on the 'Quizizz' game on months of the year in Japanese.
Elliott D	P.E.	For trying hard and making good choices in all areas of Physical education, as well as showing a willingness to learn and practice new skills. Well done Elliott and keep up the excellent work!
Skylar F	P.E.	For an outstanding attitude and willingness to learn new skills during Physical Education classes. Well done Skylar and keep up the excellent work!

2019 Foundation Transition Program

Welcome to Upwey South Primary School!

As a community-minded school, we focus upon creating strong relationships within and between families across our learning community.

Therefore, the 2019 Transition Program will provide parents and their children with opportunities to engage in building connections, to prepare you for the commencement of the 2019 school year.

As a school, we utilise the communication app **Flexibuzz** to send out reminders and information to families via smart devices, such as your mobile phone.

We highly recommend you download the app by:

1. visiting <http://www.flexibuzz.com.au/>
2. registering your details using authentic information
3. selecting Upwey South Primary School
4. joining the communication box titled **2019 Foundation Transition**

As a member of this communication box, you will receive reminders and up-to-date information which is important for your family, as you prepare for the 2019 school year.

Please refer to the information over page, detailing the 2019 Foundation Transition Program.

Should you have any questions or require further information, please contact the school directly.

We look forward to learning alongside you and your child in 2019 and beyond.

Transition Session One: An Evening for the Parents
When: Monday 27th August 6:30pm-7:30pm

Session Focus: When your child is starting school, this new beginning can bring mixed feelings. Before we focus upon supporting your children with their transition to school, we must first focus upon setting your family up for success. Join us in the Lifelong Learning Centre, as we share information over supper and get to know other parents. At this session we will discuss the specific information you need to know for the 2019 school year such as; term dates, pupil-free days, early-years interviews, school lunches, school bags, uniforms, curriculum foci, who is who in the school, out of hours school care, where can I go for help...and the list goes on.
NOTE: This session is aimed at parents only.

Transition Session Two: Getting to Know our Foundation Families
When: Thursday 20th September 9:15am-10:15am

Session Focus: Join us in the Junior building, as we undertake shared art/craft learning tasks based upon getting to know each other. This session is targeted at Foundation students and their parents, with everyone expected to join in the learning tasks together. The aim of this session is to familiarise you and your child into the physical environment of the Foundation classrooms. It will also provide you with the opportunity to meet our amazing Visual Art teacher, Mrs Samantha White.

Transition Session Three: Planting the Seeds for Learning
When: Thursday 11th October 9:15am-10:15am

Session Focus: Join us, as we get our hands dirty planting seedlings to watch and grow over the coming transition sessions. This session is targeted at Foundation students and their parents. Your child will be provided with the chance to get to know others as we work together to plant seedlings, and make predictions about what might happen as they grow. Foundation teachers will also be utilising this session to observe the amazing things your child can possibly already achieve using their fine motor skills such as, writing, colouring, cutting and digging. Teachers will also be observing social interactions and looking at the manner with which the students can follow instructions to interact positively with others.

OnPsych School Psychology Services

Do you find that your child is displaying emotional or behavioural issues? OnPsych are a team of fully qualified and registered psychologists who specialise in child and adolescent services working in primary and secondary schools in both individual and group settings. Services are performed at NO COST to the school, student or parent through Medicare bulk billing.

We are now lucky to have an OnPsych staff member at Upwey South Primary School, Lily.

Who is Lily?

Lily is a passionate psychologist who works with both children and adolescents who are experiencing a range of psychological issues such as anxiety and mood disorders, Autism Spectrum Disorders, interpersonal, learning and behavioural disorders, exam stress, self harming and adjustment difficulties (social & situational). Lily employs psychological techniques such as Cognitive Behavioural Therapy, client-centred and solution-focused therapy with psycho-education. Lily firmly believes that a collaborative approach will produce the most successful outcomes for a child. If you believe that this might benefit your child, please contact your child's classroom teacher for further instructions.

If you would like any further clarifications about the onPsych service, please call us at 1300 659 350.

Fresh Fruit Fridays

We value the support of our local community store!

Each class will receive a platter of cut up fruit.

If any parents could volunteer their time to cut up and distribute the fruit each Friday morning from 8.50am it would be greatly appreciated.

You must sign in at the office and have a current Working with Children check.

All fruit is donated by our local IGA in Upwey, we thank them for their continued generosity.

How the locals like it.

Lost Property is held in the school office.

Please ensure you name all items your child brings to school.

All named items are returned back to the classroom.

Now is also a great time to check your child's clothing to ensure they have their own items.

Thank-you for your assistance.

ESC 2020 AFL ACADEMY

DEVELOP

your **FUTURE**

The program

At Emerald Secondary College, we aim to find students with a passion for AFL and use this passion to help develop them into elite footballers. Our structured program provides access to coaches, athletes and resources during school contact time to excel their learning of our great Australian game. The program focuses on providing a quality environment where young players can sequentially develop individually through skill development, games, professional strength and conditioning sessions, match rules and conditions fitting their stage of learning and ability. It is our priority to enhance and support students as they progress through the stages of pathway development and talent pathways.

Aims:

- The Emerald Secondary College AFL Academy is aimed at providing an integrated academic pathway driven by young students sporting aspirations.
- This elite program allows young student athletes to enhance and develop their sporting talent while concurrently receiving their secondary education.
- It is crucial to the Academy that students' academic pursuits are of the highest priority and that each student's interest and aspiration in sport assists them in achieving high results both academically and athletically.
- Promote and enhance self-discipline, goal setting, time management and leadership through team participation and team experiences

Inclusions:

- Strength & conditioning, skills practice and match play, community links & structured curriculum learning
- Incursions and excursion opportunities

The coach

Jarrad Donders

- Division 1, Senior Footballer in the AFL Yarra Ranges
- Level 1 youth coach
- Under 14 coach at EJFC
- Under 18 coach at EFNC
- Assistant coach of Hallam Senior College AFL Academy 2017

Letter from Santa

Dear Parents,

With Christmas just around the corner I'm so excited to let you know that this year we have made direct contact with the one and only- Santa Claus!

Now Santa has sent me on a mission with an important question for you.

Santa would like to know if any of your kids would like to receive with a personalised letter from him, Mrs Claus and all the reindeers and elves wishing the little ones a Merry Christmas?

If you would like your kids to be pleasantly surprised, please provide your details in one of the following ways below and Santa will deliver these letters personally addressed to your children in early December.

For your child to receive a letter from Santa, please complete the details below and return it back to your school or our office by Monday 3rd of December.

Your Full Name: _____
 Your Child's Full Name: _____
 Address: _____
 Phone: _____
 Email: _____

You can respond to us in any of the following ways:

Postal Address: Shop 6/1569 Burwood Highway, Tecoma Vic 3160
 Phone: 9754 2000
 Mobile Number: 0414 816 493
