VISION

Upwey South Primary School's vision is to empower students to reach their personal best.

MISSION

Upwey South Primary School's mission is to provide a safe, engaging, and positive learning environment, where students develop life skills, and are supported to reach their personal best.

OBJECTIVE

Our school's objectives are considered as part of the four yearly strategic planning process and reflected in the goals listed in our current School Strategic Plan (SSP). We also develop an Annual Implementation Plan to operationalise the goals and key improvement strategies contained in our SSP.

VALUES

At Upwey South Primary School, we conduct our learning and actions based upon our three school values: **Respect, Responsibility and Resilience**.

- ✓ As a USPS Learner, I always value Respect for oneself, the environment, and the rights of others.
- ✓ As a USPS Learner, I always value Responsibility to take action and do what is right, to be kind, and to be courageous.
- ✓ As a USPS Learner, I always value Resilience to approach learning challenges with insight and enthusiasm.

The Three Pillars of our Learning Community

Students: our students are at the centre of everything we do

Staff: building staff capacity to achieve our guiding principles is paramount

Community Partnerships: our positive school-wide culture for learning is supported through effective partnerships with our families.

GUIDING PRINCIPLES

Our Guiding Principles are the underpinning of our School Philosophy:

✓ **Evidence-Based Learning**

We deliver evidence-based learning for our students by actively engaging in professional learning, maintaining up-to-date assessment data, accessing reliable sources of professional information, utilising the School's Data Centre to document achievements, actions, and evidence through school-wide data tools.

✓ **Responsiveness**

We act promptly to support all students, staff, and community members, through providing timely information. We take action with a positive mindset, informing relevant others of our actions, and promoting a collective responsibility for student learning.

✓ **Consistency**

We work as a school-wide team of professionals to provide consistency in daily routines and structures for our students.

✓ **Predictability**

The actions of the adults in our school are predictable, compassionate, calming, and supportive at all times.

✓ **Orderliness**

We provide our students with an orderly learning environment, which is free of clutter, reflects current student achievements, and promotes a collective responsibility for shared learning spaces.

✓ **Reinforcement of desirable learning behaviours**

We work hard to acknowledge on-task learning behaviours, and encourage students to regulate their learning through the Berry Street Educational Model.
